## INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF QATAR NATIONAL BANK (Q.P.S.C.)

### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Qatar National Bank (Q.P.S.C.) (the "Bank") and its subsidiaries (together referred to as the "Group") as at 30 June 2025, comprising of the interim consolidated statement of financial position as at 30 June 2025, the related interim consolidated statements of income and comprehensive income for the three and six month periods then ended, the related interim consolidated statement of changes in equity and interim consolidated statement of cash flows for the six-month period then ended, and the related explanatory notes.

The Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with IAS 34 Interim Financial Reporting ("IAS 34"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with IAS 34.

**Notes to the Interim Condensed Consolidated Financial Statements**  
**For the Six Month Period Ended 30 June 2025**

**1. BASIS OF PREPARATION AND MATERIAL ACCOUNTING POLICY INFORMATION**

The accompanying interim condensed consolidated financial statements are prepared in accordance with IAS 34 '*Interim Financial Reporting*'. These interim condensed consolidated financial statements should be read in conjunction with the 2024 annual audited consolidated financial statements of the Group.

The interim condensed consolidated financial statements do not contain all information and disclosures required for full consolidated financial statements prepared in accordance with International Financial Reporting Standards. In addition, results for the six month period ended 30 June 2025 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2025.

The preparation of the interim condensed consolidated financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2024.

The Group has consistently applied the accounting policies as applied in the annual consolidated financial statements for the year ended 31 December 2024, except for the changes that became effective from 1 January 2025.

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements for the year ended 31 December 2024.

The following amendment to existing standard has been applied by the Group in preparation of these interim condensed consolidated financial statements. The adoption of this does not have significant impact on the interim condensed consolidated financial statements.
