# Independent Auditors' Review Report on Condensed Consolidated Interim Financial Information to the Board of Directors of Qatar National Bank S.A.Q.

#### Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of Qatar National Bank S.A.Q. (the "Bank") and its subsidiaries (together referred to as the "Group") as at 31 March 2013, the condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the three month period then ended, and the related explanatory notes (the "condensed consolidated interim financial information"). The Board of Directors is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with IAS 34 - "Interim Financial Reporting" and the applicable provisions of Qatar Central Bank regulations. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

#### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

#### Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information is not prepared, in all material respects, in accordance with IAS 34 "Interim Financial Reporting" and the applicable provisions of Qatar Central Bank regulations.

#### Other matter

The condensed consolidated financial information as at 31 March 2012 was reviewed and the consolidated financial statements as at and for the year ended 31 December 2012, were audited by another auditor, whose reports dated 4 April 2012 and 13 January 2013 respectively, expressed an unmodified review conclusion and an unmodified audit opinion on those statements.

## Qatar National Bank S.A.Q. Notes to the Condensed Consolidated Interim Financial Information For the Three Months Period Ended 31 March 2013

#### 1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The accompanying condensed consolidated interim financial information is prepared in accordance with IAS 34 - "Interim Financial *Reporting*" and the applicable provisions of Qatar Central Bank Regulations. This condensed consolidated interim financial information should be read in conjunction with the 2012 annual consolidated financial statements of the Group.

The condensed consolidated interim financial information does not contain all information and disclosures required for full consolidated financial statements prepared in accordance with International Financial Reporting Standards. In addition, results for the three months period ended 31 March 2013 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2013.

The preparation of the condensed consolidated interim financial information requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2012.

The Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements for the year ended 31 December 2012.

The following new and amended standards have been adopted by the Group in preparation of this condensed consolidated interim financial information. The new standards do not have any material impact to the Group, but they will result in extensive additional disclosures:

IAS 1 (amendment) 'Presentation of items of other comprehensive income.

IAS 28 (2011) 'Investment in Associates and Joint Ventures'.

IFRS 10 Consolidated Financial Statements.

IFRS 11 Joint Arrangements.

IFRS 12 Disclosure of Interest in Other Entities.

IFRS 13 Fair Value Measurement.

IFRS 9, Financial Instruments' is the first standard issued as part of a wider project to replace IAS 39. IFRS 9 retains but simplifies the mixed measurement model and establishes two primary measurement categories for financial assets: amortised cost and fair value. The basis of classification depends on the entity's business model and the contractual cash flow characteristics of the financial asset. The standard is effective for annual periods beginning on or after 1 January 2015.

The Group is currently assessing the impact of this standard on future periods.
