Independent Auditors' Report on Review of Condensed Consolidated Interim Financial Information to the Board of Directors of Qatar National Bank S.A.Q.

Introduction

We have reviewed the accompanying condensed consolidated interim statement of financial position of Qatar National Bank S.A.Q. (the "Bank") and its subsidiaries (together referred to as the "Group") as at 30 June 2011 and the condensed consolidated interim income statement, statements of comprehensive income, changes in equity and cash flows for the six-month period then ended and the related notes (together referred to as the "condensed consolidated interim financial information"). The board of directors is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with IAS 34 "Interim Financial Reporting" and the applicable provisions of Qatar Central Bank regulations. Our responsibility is to express a conclusion on this condensed consolidated on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information as at 30 June 2011 is not prepared, in all material respects, in accordance with IAS 34 "Interim Financial Reporting" and the applicable provisions of Qatar Central Bank regulations.

Qatar National Bank S.A.Q. Notes to the Condensed Consolidated Interim Financial Information For the Six Months Period Ended 30 June 2011

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The accompanying condensed consolidated interim financial information is prepared in accordance with IAS 34 - "Interim Financial *Reporting*" and the applicable provisions of Qatar Central Bank Regulations. This condensed consolidated interim financial information should be read in conjunction with the 2010 annual consolidated financial statements of the Group.

The condensed consolidated interim financial information does not contain all information and disclosures required for full financial statements prepared in accordance with International Financial Reporting Standards. In addition, results for the six month period ended 30 June 2011 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2011.

During the period, the Group has adopted revised IAS 24 - Related Party Transactions, which clarifies and simplifies the definition of a related party and removes the requirement for Government related entities to disclose details of all the transactions with the Government and other Government related entities.

In addition, a number of new standards, amendments to standards and interpretations have been issued that are not yet effective for the period ended 30 June 2011 and have not been applied in preparing this condensed consolidated interim financial information:

- 'IFRS 9, Financial Instruments' is the first standard issued as part of a wider project to replace IAS 39. IFRS 9 retains but simplifies the mixed measurement model and establishes two primary measurement categories for financial assets: amortised cost and fair value. The basis of classification depends on the entity's business model and the contractual cash flow characteristics of the financial asset. The standard is effective for annual periods beginning on or after 1 January 2013, however, the standard can be adopted early prospectively, and prior periods need not be restated if an entity adopts the standard for reporting periods beginning before 1 January 2012.

- 'IFRS 10, Consolidated Financial Statements.

- 'IFRS 11, Joint Arrangements.
- 'IFRS 12, Disclosure of Interest in Other Entities.
- 'IFRS 13, Fair Value Measurement.

The above standards are effective for annual periods beginning on or after 1 January 2013. The Group is currently assessing the impact of these standards on future periods.
