

Condensed Consolidated Interim Financial Information

30 June 2012

Independent Auditors' Review Report on Condensed Consolidated Interim Financial Information to the Board of Directors of Qatar National Bank S.A.Q.

Introduction

We have reviewed the accompanying condensed consolidated statement of financial position of Qatar National Bank S.A.Q. (the "Bank") and its subsidiaries (together referred to as the "Group") as at 30 June 2012, the condensed consolidated statement of income, statements of comprehensive income, changes in equity and cash flows for the six-month period then ended, and explanatory notes (the "condensed consolidated interim financial information"). The Board of Directors of the Group is responsible for the preparation and presentation of this condensed consolidated interim financial information in accordance with (IAS 34) - "*Interim Financial Reporting*" and the applicable provisions of Qatar Central Bank regulations. Our responsibility is to express a conclusion on this condensed consolidated interim financial information based on our review.

Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, "*Review of interim Financial Information Performed by the Independent Auditor of the Entity*". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying condensed consolidated interim financial information is not prepared, in all material respects, in accordance with IAS 34 "*Interim Financial Reporting*" and the applicable provisions of Qatar Central Bank regulations.

Qatar National Bank S.A.Q.
Notes to the Condensed Consolidated Interim Financial Information
For the Six Months Period Ended 30 June 2012

1. BASIS OF PREPARATION AND ACCOUNTING POLICIES

The accompanying condensed consolidated interim financial information is prepared in accordance with IAS 34 - "Interim Financial Reporting" and the applicable provisions of Qatar Central Bank Regulations. This condensed consolidated interim financial information should be read in conjunction with the 2011 annual consolidated financial statements of the Group.

The condensed consolidated interim financial information does not contain all information and disclosures required for full consolidated financial statements prepared in accordance with International Financial Reporting Standards. In addition, results for the six month period ended 30 June 2012 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2012.

The preparation of the condensed consolidated interim financial information requires management to make judgements, estimates and assumptions that affects the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

The significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2011.

Group's financial risk management objectives and policies are consistent with those disclosed in the consolidated financial statements as at and for the year ended 31 December 2011.

The following amendment has been applied by the Group in preparation of these condensed consolidated interim financial information:

IFRS 7 (amendment) 'Disclosures: Transfer of financial assets' The amendments to IFRS 7 introduce new disclosure requirements about transfers of financial assets including disclosures for financial assets that are not derecognised in their entirety; and financial assets that are derecognised in their entirety but for which the entity retains continuing involvement. The amendment has no impact on the Group's operations.

In addition, a number of new standards, amendments to standards and interpretations have been issued that are not yet effective for the period ended 30 June 2012 and have not been applied in preparing this condensed consolidated interim financial information:

IAS 1 (amendment) 'Presentation of items of other comprehensive income' The amendments to IAS 1 require that an entity present separately the items of other comprehensive income that would be reclassified to profit or loss in the future if certain conditions are met from those that would never be reclassified to profit or loss. The amendment is effective for annual periods beginning on or after 1 July 2012 with an option of early application.

IAS 34 Interim Financial Reporting (amendment): IAS 34 is amended to align the disclosure requirements for segment assets and segment liabilities in interim financial reports with those in IFRS 8 Operating Segments. The amendment is effective for annual periods beginning on or after 1 January 2013 with an option of early application.

IAS 28 (2011) 'Investment in Associates and Joint ventures'

IAS 28 (2011) supersedes IAS 28 (2008). IAS 28 (2011) has been amended to include:

- IFRS 5 applies to an investment, or a portion of an investment, in an associate or a joint venture that meets the criteria to be classified as held for sale; and
- On cessation of significant influence or joint control, even if an investment in an associate becomes an investment in a joint venture or vice versa, the entity does not remeasure the retained interest.

The standard is effective for annual periods beginning on or after 1 January 2013 and is applied retrospectively.

- 'IFRS 9, Financial Instruments' is the first standard issued as part of a wider project to replace IAS 39. IFRS 9 retains but simplifies the mixed measurement model and establishes two primary measurement categories for financial assets: amortised cost and fair value.

The basis of classification depends on the entity's business model and the contractual cash flow characteristics of the financial asset. The standard is effective for annual periods beginning on or after 1 January 2015.

- IFRS 10, Consolidated Financial Statements.
- IFRS 11, Joint Arrangements.
- IFRS 12, Disclosure of Interest in Other Entities.
- IFRS 13, Fair Value Measurement.

The above standards are effective for annual periods beginning on or after 1 January 2013. The Group is currently assessing the impact of these standards on future periods.

Qatar National Bank S.A.Q.
Notes to the Condensed Consolidated Interim Financial Information
For the Six Months Period Ended 30 June 2012

2. SEGMENT INFORMATION

The Group is organised into four main operating segments. The results of each of the operating segments which are being reviewed regularly by the Chief Operating Decision Maker are stated below:
